54	<p>Notes</p> <p>1. The purpose of this table is to list everyone who served the Foundation as an Officer or Director. In some cases, an individual served for less than a full year, but no attempt has been made to indicate such abbreviated terms; in those cases, another individual may have been appointed or elected to complete the term. In some years, a person served in more than one capacity.</p> <p>2. In some years, there was a single Vice President; in other years, there was a First Vice President and Second Vice President; in yet other years, there was a President Elect and a Vice President. No attempt has been made to distinguish among these offices in this table.</p> <p>3. The Immediate Past President in good standing has been a designated member of the Board of Directors since 1978-79.</p> <p>4. Nicknames and professional degrees have been omitted.</p> <p>5. This table was first compiled by Bob Gatten in 2008, with the invaluable assistance of Lois Baker, Beverly Hinds, Barbara Kubik, and Robert Saindon, and is updated periodically. The main sources of information were the annual reports filed with the Missouri Secretary of State and the listing of officers and directors in <i>We Proceeded On</i>.</p>
