The Camp is held each year on the weekend following Labor Day and is hosted by ORC members Richard and Sandra Hennings. ORC member George Bolton was also among the several camp participants. On Saturday the 10th, between 400 and 450 visitors came through the Camp, which was open from noon to 6:00pm. Skip was a big hit at the Camp this year. Most everyone seemed to enjoy meeting Meriwether Lewis.
